By John Lewis, William Loftus : Java Software Solutions: Foundations of Program Design plus MyProgrammingLab with Pearson eText -- Access Card Package (7th Edition) Java Software Solutions: Foundations of Program Design plus MyProgrammingLab with Pearson eText -- Access Card Package (7th Edition):

1 of 1 review helpful Caution Errors in the 6th edition By Cindy L Just a warning to those considering buying the 6th

edition of this book This isn't a review for the actual contents on that note I pretty much concur with most of the 4 5 reviews Apparently just the first printing of the 6th edition textbook contains all of these errors but if you're buying this book then you should know what you might pro ALERT Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN Several versions of Pearson's MyLab Mastering products exist for each title including customized versions for individual schools and registrations are not transferable In addition you may need a CourseID provided by your instructor From the Back Cover Introductory Programming Java trade
