By John M. Wargo : Apache Cordova 4 Programming (Mobile Programming) search here for apache cordova plugins published on npm download the tools for apache cordova with our step by step installation guide Apache Cordova 4 Programming (Mobile Programming):

10 of 11 review helpful It pretty much covers the tools and parrots the documentation By Billy P Bray This book should be title Apache Cordova 4 Tool Usage It pretty much covers the tools and parrots the documentation Its like wanting to learn iOS native programming and getting book on that only to find it spend 95 of the time covering Xcode

The author constantly says I m not going to cover that here but I refer you t Using Apache Cordova 4 you can leverage native technologies and web standards to quickly build cross platform apps for most mobile devices You can deliver a high end user experience where it matters while radically simplifying code maintenance and reuse Apache Cordova 4 Programming is the most concise accessible introduction to this remarkable technology nbsp I From the Author This is my 4th book on Apache Cordova and by far the biggest book on the topic I wrote this book while working as a project manager for SAP s Apache Cordova based products and as a contributor to the Apache Cordova project When you take this
