appster works with the worlds leading entrepreneurs and are respected startup thought leaders we develop android iphone and ipad apps of all types app marketing services and mobile app promotion for iphone android blackberry and windows mobile phones succeed in the app market The Business of Android Apps Development: Making and Marketing Apps that Succeed:

The growing but still evolving success of the Android platform has ushered in a second mobile technology "gold rush" for apps developers but with well over 100 000 apps and counting in the Google Android Market and now the Amazon Android Appstore it has become increasingly difficult for new applications to stand out in the crowd. Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some
