7 of 7 review helpful Well I think it rocks By Kindle Customer I m not sure why everyone is so down on this book I received mine today along with the Org Mode manual from the same publisher The paper is fine white and opaque the binding is sturdy and the printing is large and crisp I think what people are objecting to is that this book is not printed

by the Free Software Foundation but by an independent publisher GNU Emacs is much more than a text editor over the years it has expanded into an entire work flow environment Programmers are impressed by its integrated debugging and project management features Emacs is also a multi lingual text editor can handle all your email and Usenet news needs display web pages and even has a diary and a calendar for your appointments When you tire of all the work you can accomplish with it Emacs contains games to play Features incl
